

Champion Breakfast

• the first meal of the day •

On Thursday, June 16th, 2022, Lisa Gardner, Volunteer and Bereavement Coordinator, attended the Alzheimer's Association of Michigan's Walk to End Alzheimer's Champions Breakfast. The event was to celebrate all sponsors that supported the 2022 Walk to End Alzheimer's taking place at the Detroit Zoo on Saturday, October 29th. This event provided a breakfast, speaker who talked about Alzheimer's facts and figures, as well as hearing from an individual who shared her caregiver journey with us. We are proud to be a sponsor for such a great cause.
